STANDARDS	EN 959:2018, EN 12275:2013, UIAA 121
 A photograph of a silver-colored metal climbing chain. The chain consists of several oval links connected together. At each end of the chain is a carabiner. The carabiner on the right is a blue and silver locking carabiner, while the one on the left is a silver-colored non-locking carabiner. Both carabiners have a D-shape and a hole at the top for attachment to a rope or another piece of gear.
