

ROCKIT BENT GATE

aluminium, anodized

Art.no.: KG06BC-Y

The ROCKIT carabiner is our strong allrounder! Due to its compact and robust construction as well as its easy handling it is perfectly suitable for crag climbing as well as ice climbing and other alpine sports. Thanks to its unique shape, it holds nicely in the hand and the approved keylock system prevents the carabiner from getting caught in the rope when clipping. With its bent gate, the universally usable ROCKIT carabiner facilitates clipping and is your reliable partner, no matter which adventure you're on.

use cases:

sports climbing, ice climbing, mountain sports
