

HMS RONDO

3-WAY AUTOLOCK SELFIE

aluminium, hard-coated

Art.no.: KR35H3S-Z

The HMS RONDO carabiner meets all expectations regarding easy handling and tangible safety.

The design of the HMS RONDO prevents the build up of sharp edges from rope friction. The round profile allows for fluid rope management making the HMS the ideal carabiner for all-around use. HMS RONDO 3-way-autolock with Selfie twist protection; captures the belay loop and keeps the carabiner in place. The carabiner is hard-coated, a specialized anodized coating. Thanks to its double strength and higher base-hardness, this coating offers higher robustness and therefore a much longer lifetime – perfect for frequent use. To open the autolock gate: lift, twist and push.

use cases:

sports climbing, ice climbing, mountain sports, PPE, tactical
