

CHALKER LOOSE CHALK

300 g magnesium carbonate powder

Art.no.: RT30CP

Our chalk is made of 100% pharmaceutical grade magnesium carbonate and doesn't contain any artificial drying additives. The 100% vegan formula is super skin-friendly, keeps your hands dry and offers you all the friction you need.

We are sticking to the recipe, but we have parted with the plastic packaging! The new resealable bag is plastic-free and is made in Europe from certified, industrially compostable materials. It is not only a benefit in ecological terms, but also in terms of feel!

use cases:

bouldering, sports climbing
