

MOUNT BRUSHMORE

WOODEN BRUSH WITH NATURAL ARENGA FIBRES

12,5 x 5,5 cm

Art.no.: ZU02BB

Mount Brushmore is your environmentally friendly, vegan bouldering brush. It is crafted in a small factory in East Tyrol. Leftover wood is used for the brush head, and the bristles are made from robust Arenga plant fibers. Mount Brushmore is built to last and will serve you well for many climbs. It is perfect for cleaning holds on the rock or in the gym. Thanks to its ingenious, ergonomic shape, the brush is particularly comfortable to hold and ensures effortless handling - regardless of whether you are right-handed or left-handed. Perforated and equipped with a practical cord, you can attach it to your harness or wherever you need it handy.

By the way, your Mount Brushmore boulder brush is one of a kind. The color and grain of the material vary depending on the type of wood used.

use cases:
bouldering
